

Route to Reading

Map It Out

Reading and writing is based on:

Spoken Language Skills

Understanding and using sounds, words, and ideas from speaking and listening.

Written Language Skills

Understanding and using sounds, words, and ideas from reading and writing.

Questions to ask your child's school:

Does the reading program teach phonological awareness, phonics, fluency, vocabulary, and comprehension skills?

How does my child review and practice reading skills?

How does my child receive teacher feedback on his or her reading skills and progress?

The research reported here is funded by a grant to the National Center on Improving Literacy from the Office of Elementary and Secondary Education, in partnership with the Office of Special Education Programs (Award #: S283D160003).
